

*BIZassistManual – supporting your business from cover to cover*

## Order Form

This comprehensive manual, which is packed with over 200 fact sheets, provides practical and user friendly information and advice on a range of topics that include managing your employees, managing a successful business, OHS & worker's compensation, training and skills development and much more. Electronic updating is free, however, many companies prefer our hardcopy updating service available at special member rates. To order additional copies of the BIZassistManual or to alter your updating service please complete the form below.
